

The Best Is Yet to Come

By Donald Lawrence

Hold on my brother don't give up
Hold on my sister just look up
There is a master plan in store for you
If you just make it through
God's gonna really blow your mine
He's gonna make it worth your time
For all of the troubles you been through
The blessings double just for you **(x2)**

The Best..., is Yet..., To Come...
The Best, The Best, is Yet, To come**(x2)**
