

There's No Christmas Without You - Kirk Franklin

It's time again for the holidays
Pain and sorrow miles away
But in my spirit I've got to say
There's no Christmas without You

With caroling and mistletoe
Children playing in the snow
But in their hearts the world must know
There's no Christmas without You

Your gift of love
Such a sacrifice you give
Sent from above
So that we shall forever live

So with our voices lifted high
And praises reaches to the sky
Jesus You're the reason why
There's no Christmas without You
