"Stand"

by Donnie McClurkin

What do you do when you've done all you can
And it seems like it's never enough?
And what do you say
When your friends turn away
And you're all alone, alone?

Tell me, **what do you give** when you've given your all
And it seems like you can't make it through?
Well, you just stand when there's nothing left to do
You just stand, watch the Lord see you through
Yes, after you've done all you can
You just stand

Tell me, **how do you handle** the guilt of your past?
Tell me, how do you deal with the shame?
And how can you smile while your heart has been broken
And filled with pain, filled with pain?

Tell me **what do you give** when you've given your all?
Seems like you can't make it through
Child, you just stand when there's nothing left to do
You just stand, watch the Lord see you through
Yes, after you've done all you can
You just stand

Stand and be sure
Be not entangled in that bondage again
You just **stand and endure**
God has a purpose
Yes, god has a plan

Tell me **what do you do** when you've done all you can
And it seems like you can't make it through?
Child, you just stand, **Stand**, you just stand, **stand,** stand, **Stand**

Don't you dare give up, **You Just**, through the storm
Stand through the rain, **Stand**
Through the hurt, **Stand**

Yeah, through the pain, **You Just**
Don't you bow, **Stand** and don't you bend, **Stand**
Don't give up, **Stand** no, don't give in, **You Just**
Hold on **Stand**
Just be strong, **Stand**
God will step in, **Stand**
And it won't be long, **You Just**

After you've done all you can, **after you've done all you can**

After you've done all you can, **after you've done all you can**

After you've gone through the hurt, **after you've done all you can**
After you've gone through the pain, **after you've done all you can**
After you've gone through the storm, **after you've done all you can**
After you've gone through the rain, **after you've done all you can**
Prayed and cried, **after you've done all you can**
Prayed and cried, **after you've done all you can**
Prayed and cried, **after you've done all you can**
Prayed and cried, **after you've done all you can**
oh my

After you've done all you can you just stand
